

- Grauling Research Inc. (Grauling) will issue a Return Material Authorization number (RMA#) for a product repair or evaluation after the customer accurately completes and returns this form and Grauling approves.
  - Grauling will not accept a return without a valid RMA # and this completed form.**
- All returns must be properly packaged, RMA# must be clearly printed on the outside of the box.
- Equipment returned with insufficient packaging will be invoiced at full value in the event of damage. ENCLOSE THIS FORM WITH YOUR RETURN.**
  - Pumps returned for repair must have oil drained (if applicable) and inlet/exhaust ports sealed.
  - All "abandoned & unresolved returned items" will become property of Grauling after 14 days of original RMA # issuance date.
  - **If customer is requesting credit for returned goods.** Customer must return the goods 1) in the condition originally received by customer, 2) be free from any damage, use or modification 3) in the original packaging and 4) with all manuals, accessories provided by Grauling.
  - Grauling relies on the accuracy and completeness of Customer's answers (indicated below or attached to this request) to protect Grauling employees and to comply with applicable laws and to determine whether to issue an RMA# and/ or to accept the goods.
